Sunflower Field

The sunflower field at Dix Park is a hidden gem here in Oak City. This gorgeous piece of land is the perfect place for a mini-photoshoot with our trusted photographer, Caitlin Register Photography, or a fun luxury picnic! Even if you're not picnicking or having photos taken, this is a fun place to bring your friends and family to see all the blooming flowers!

The Sweet T Team took part in a wonderful event at Purple Bloomers! Our team came out and set up a lavender themed picnic for all guests to enjoy. We had a blast meeting all of the other vendors, and of course we enjoyed the glorious smell of lavender.

Wright Way to Picnic

Take a seat on your private Cirrus SR22 aircraft with your guest, and enjoy a luxurious one-hour flight from Raleigh Exec Jetport to the coast of North Carolina. Once you arrive at First Flight, you can stroll and explore the Wright Brothers Memorial National Park, which highlights the Brothers' achievements. Then enjoy a sweet two-hour luxury picnic for two! After your picnic, we'll fly you back to The Triangle that same evening. Read more about this experience on our blog, and learn more through our features in WRAL.
